

Traffic Control Awareness program

The NSS unit organized a Traffic Control Awareness program at Phoenix Mall signal, Kurla West, on September 19, 2025. A total of 20 NSS volunteers participated in the event, which aimed to promote road safety and responsible behavior among commuters.

Key Highlights:

- Number of Volunteers: 20 NSS volunteers participated.
- Location: Phoenix Mall signal, Kurla West.
- Objective: To raise awareness about road safety and traffic rules.
- Activities: Volunteers likely distributed pamphlets, displayed posters, and interacted with commuters to promote safe driving practices.

The event helped spread awareness about the importance of following traffic rules and regulations, contributing to a safer and more responsible community.
